The GC Divers Parent Organization is honored to be supporting the GC Divers' success through fundraising, purchasing supplies and training equipment, helping to organize our local meets, and recruiting parent volunteers.

The GCDPO is a 501(c) 3, non-profit organization, which means every dollar we collect via membership fees, fundraising, and donations is tax deductible and all funds are used to support our team.

We sincerely appreciate all the GC Divers athletes, parents, and extended family that help make our team so special. *And always, a very special thank you to our dedicated coaches who tirelessly share their expertise and enthusiasm for coaching our divers throughout the year!*
